PURPOSE

To establish the enrollee’s rights and responsibilities.

POLICY

Providing equal rights and responsibilities to enrollees is the highest priority of the Dental Care Organization (DCO) along with providing quality care. Enrollees shall have the same rights and responsibilities as any other patient of the provider’s practice.

The rights and responsibilities of enrollees will be communicated to them in the DCO Enrollee Handbook or the Coordinated Care Organization (DCO) Enrollee Handbook and other materials provided to new enrollees as well as the DCO website at www.advantagedentalservices.com. Enrollees may request information on their rights and responsibilities at any time by contacting the DCO or the CCO as indicated in the Enrollee Handbook. Enrollees are free to exercise their rights, and by doing so, will not adversely affect the way enrollees are treated by providers or the DCO.

DCO enrollees shall have the following rights and are entitled to:

- a. Be treated with dignity and respect;
- b. Be treated by participating providers the same as other people seeking health care benefits to which they are entitled and to be encouraged to work with the enrollee’s care team, including providers and community resources appropriate to the enrollee’s needs;
- c. Choose a Primary Care Dentist (PCD) or service site and to change those choices as permitted in the DCO’s administrative policies;
- d. Refer oneself directly to behavioral health or family planning services without getting a referral from a Primary Care Provider (PCP) or other participating provider;
- e. Have a friend, family enrollee, or advocate present during appointments and other times as needed within clinical guidelines;
- f. Be actively involved in the development of their treatment plan, and have family involved in such treatment planning;
- g. Be given information about their condition and covered and non-covered services to allow an informed decision about proposed treatments;
- h. Consent to treatment or refuse services and be told the consequences of that decision, except for court ordered services;
- i. A second opinion at no cost if one is wanted;
- j. Receive written materials describing rights, responsibilities, benefits available, how to access services, and what to do in an emergency;
- k. Request electronic methods to communicate with DCO, if such methods are available;

- l. Have written materials explained in a manner that is understandable to the enrollee and be educated about the coordinated care approach being used in the community and how to navigate the coordinated health care system;
- m. Receive culturally and linguistically appropriate services and supports in locations as geographically close to where enrollees reside or seek services as possible and choice of providers within the delivery system network that are, if available, offered in non-traditional settings that are accessible to families, diverse communities, and underserved populations;
- n. Receive oversight, care coordination and transition and planning management from their DCO to ensure culturally and linguistically appropriate community-based care is provided in a way that serves them in as natural and integrated an environment as possible and that minimizes the use of institutional care.
- o. Receive necessary and reasonable services to diagnose the presenting condition;
- p. Receive integrated person-centered care and services designed to provide choice, independence and dignity and that meet generally accepted standards of practice and are medically and/or dentally appropriate;
- q. Have a consistent and stable relationship with a care team that is responsible for comprehensive care management;
- r. Receive assistance in navigating the health care delivery system and in accessing community and social support services and statewide resources including but not limited to the use of certified or qualified health care interpreters, advocates, community health workers, peer wellness specialists, and personal health navigators who are part of the enrollee's care team to provide cultural and linguistic assistance appropriate to the enrollee's need to access appropriate services and participate in processes affecting the enrollee's care and services;
- s. Equal access to appropriate facilities, services and treatment for both males and females under 18 years of age (For additional information on the types of services minors can get on their own and how minors' health care information may be shared, access "Minor Rights: Access and Consent to Health Care" at OHP.Oregon.gov);
- t. Obtain covered preventive services;
- u. Have access to urgent and emergency services 24 hours a day, seven days a week without prior authorization;
- v. Receive a referral to specialty providers for medically and/or dentally appropriate covered coordinated care services in the manner provided in the DCO's referral policy;
- w. Have a clinical record maintained that documents conditions, services received, and referrals made;
- x. Have access to one's own clinical record, unless restricted by statute;
- y. Transfer of a copy of the clinical record to another provider;
- z. Execute a statement of wishes for treatment, including the right to accept or refuse medical, surgical, or behavioral health treatment and the right to execute directives and powers of attorney for health care established under ORS 127;
- aa. Receive written notices before a denial of, or change in, a benefit or service level is made, unless a notice is not required by federal or state regulations;
- bb. Be able to file an appeal with the DCO and receive a timely response;
- cc. Be able to report a complaint of discrimination;
- dd. Be able to file a grievance, or have their representative file a grievance, orally or in writing with the DCO or with the State directly.
- ee. Request a contested case hearing and have the right to have an attorney or representative present at the hearing and access free legal help through Legal Aid Services and Oregon Law Center. Information can be accessed from the Public Benefits Hotline (1-800-520-5292, TTY 711).
- ff. Receive certified or qualified health care interpreter services; and
- gg. Receive a notice of an appointment cancellation in a timely manner;

- hh. Be free from any form of restraint or seclusion used as a means of coercion, discipline, convenience, or retaliation, as specified in other federal regulations on the use of restraints and seclusion.

DCO enrollees shall have the following responsibilities:

- a. Choose or help with assignment to a PCD;
- b. Treat the DCO, provider, and clinic staff members with respect;
- c. Be on time for appointments made with providers and to call in advance to cancel if unable to keep the appointment or if expected to be late;
- d. Seek periodic exams and preventive services from the PCD;
- e. Use the PCD for diagnostic and other care except in an emergency;
- f. Obtain a referral to a specialist from the PCD before seeking care from a specialist unless self-referral to the specialist is allowed;
- g. Use urgent and emergency services appropriately and notify the enrollee’s PCD within 72 hours of using emergency services in the manner provided in the DCO’s Emergency Services policy;
- h. Give accurate information for inclusion in the clinical record;
- i. Help the provider obtain clinical records from other providers that may include signing an authorization for release of information;
- j. Ask questions about conditions, treatments, and other issues related to care that is not understood;
- k. Use information provided by DCO providers or care teams to make informed decisions about treatment before it is given;
- l. Help in the creation of a treatment plan with the provider;
- m. Follow prescribed agreed upon treatment plans and actively engage in their health care;
- n. Tell the provider that the enrollee’s health care is covered under the Oregon Health Plan (OHP) before services are received and, if requested, show the provider the Division Medical Care Identification form;
- o. Tell the Department or Authority worker of a change of address or phone number;
- p. Tell the Department or Authority worker if the enrollee becomes pregnant and notify the worker of the birth of the enrollee’s child;
- q. Tell the Department or Authority worker if any family members move in or out of the household;
- r. Tell the Department or Authority worker if there is any other insurance available;
- s. Pay for non-covered services under the provisions described in OAR 410-120-1200 and 410-120-1280;
- t. Pay the monthly OHP premium on time if so required;
- u. Assist the DCO in pursuing any third-party resources available and reimburse the DCO the amount of benefits it paid for an injury from any recovery received from that injury; and
- v. Bring issues or complaints or grievances to the attention of the DCO.
