PURPOSE

To establish guidelines for providers to follow in creating and maintaining enrollee patient records in accordance with the Oregon Dental Practice Act, and laws applicable to OHP patients.

POLICY

1. Providers are required to prepare and maintain each enrollee's dental records in accordance with the Patient Records requirements set forth in Oregon Dental Practice Act.; specifically, OAR 818-012-0070 and 818-012-0032.
2. Providers are required to maintain all enrollee clinical records for a minimum of ten (10) years following the date of service. See OAR 410-141-3520. In the case of a minor, Providers should maintain the enrollee's records for ten (10) years following the enrollee's 18th birthday.
3. The DCO and its providers shall, upon request, provide the enrollee access to their own dental records and provide copies within fourteen days of the request, at no charge to the enrollee or the DCO, other than reasonable duplication costs as permitted under Oregon law.
