## PURPOSE

To establish the Dental Care Organization's (DCO's) policy on training contracted providers and their staff on the rules, regulations, processes and procedures for providing dental services to enrollees under the Oregon Health Plan (OHP).

## POLICY

The DCO shall provide training to all of its contracted providers and their staff with regard to dental plan policies, procedures, benefits, services, and resources. Providers and their staff shall receive such training upon contracting with the DCO. Additional training may be made available by Provider Relations Department, upon request, or at the direction of the Quality Assurance and Performance Improvement Committee. Upon completion of training, each provider is required to sign a Provider Policy Attestation Form.

The DCO shall also provide each contracted provider with a username and password to the Advantage Dental secure provider portal to access the DCO's policies and procedures. It is the provider's responsibility to regularly review the DCO's policies and procedures. Any questions regarding the policies and procedures should be directed to the Provider Relations Department.

The DCO shall also require all contracted providers to provide services in accordance with the Dental Services Rulebook.
